FOR IMMEDIATE RELEASE – 17th March 2014

2014 Armstrong-Isaacs winner

Nineteen year old Will Proud has been selected as the lucky recipient of the LAA's 2014 Armstrong-Isaacs Scholarship which will fund the training of a NPPL. Will is currently enjoying a gap year before studying AeroSpace Engineering at Sheffield University.

Pooleys has very kindly donated the EASA Flight Training Manuals for Will's theoretical studies and he hopes to commence his training shortly, completing it before heading off to university in September. Will commented: "My passion for aviation started from a young age and I have known for many years that I want to make it my career. I would like to thank the LAA for this amazing opportunity and everyone there who has been tremendously helpful in getting me started on what I am sure will be a very exciting summer of flying!"

Good luck Will and please let us know how you are getting on.

--- NOTES FOR EDITORS ---

About the Light Aircraft Association

With a history extending over 60 years, the UK Light Aircraft Association promotes safe and economical operation of sports and recreational aircraft. Representing the aviation interests of over 8,000 recreational pilots, amateur-builders and enthusiast members, the LAA oversees the operation of more than 2,500 light aircraft and the build of another 1,700, whilst providing sector-leading consultation and advocacy in aviation-related regulatory matters both in UK and Europe.
